Review for Shauna Adri

Shauna is amazing!!! This is the first time I had extensions added to my hair and Shauna took the time to make sure we found the closest match to my hair. Once the extensions were in, again she took the time to color my hair as well as cut both the extensions and my hair to ensure the extensions blended seamlessly. Overall I had a fantastic experience and would highly recommend Shauna to all my friends and family. I love these extensions and they make me feel so happy - this especially means a lot during these COVID times when life is full of so many unknowns and anxiety. Thank you Shauna!!!!

Pros: seems clean, they spray areas of treatment down and have plastic barriers that cover the client half way. Cons: Unfortunately they are unable to keep pedicure clients 6 feet apart during this pandemic out of three pedicure chairs they placed me 1 foot apart from the lady near me rather than keep a chair in btwn us. I came in 10 min late due to traffic and by the time I had to wait to check in and fill out forms with a line of 3 ladies in front of me in the lobby. My pedicure tech Yami Or Yani must be new because her name did Not even come up in the list to click above to rate my review. She is not experienced at all and should have used a buffer after taking off my get or communicate with me and ask me if everything is okay. Her co worker April was super rude to me, at the start of my appt. telling her in front of me that I should just get an express pedi for my birthday and couldn't mind her own business. They didn't have the color to match my manicure... I mean who doesn't have hot pink!! The quality of the pedicure was subpar (bumpy). I really could have done better myself and saved \$65. This was no way to relax. The chairs were pretty but not comfortable at all. I unfortunately will never come back here and am so disappointed. It really ruined my whole birthday off. I will not recommend this place to any of my family/friends and thousand of network of clients that I have through the community! As I left the nail den and the salon no one even said by to me or have a nice day. They really know how to put people down here.

I had a great experience at CoCo Bond yesterday. First, renovations were done during lock down to ensure the salon will be safe and efficient: plexi- glass dividers between each station, shampoo sink, and at the front desk, and a new stone patio outside to make waiting more pleasant. I was also blown away by the redecorating work that was done; new floors and some statement wall paper to name a few. But most importantly, the process in place from check-in to check-out is efficient and sensible. Of course, getting a professional haircut and color after months of home treatments (my husband tried but it's not really his thing) was wonderful. And finally, the atmosphere at the salon is still friendly, welcoming, efficient, and positive.

Cat did my roots. She's awesome. My feedback to everyone at Salon Coco Bond. I was amazed, overwhelmed and saddened. Amazed by the changes to the salon that will keep both employees and clients safe. Overwhelmed by the staff's positive attitude and comfort with the barriers to what used to be their everyday comfort zone. Saddened by this pandemic and how it has affected everyone. Erin you amaze me. Greeting me with the usual "hi Di how are you" behind that silly mask warms my heart. You went above and beyond with the details outside and inside your salon. The ease in which you are directing your clients and staff show me that you've taken this pandemic extremely seriously. Your front desk is exceptional! They are to be commended juggling calls, texts and face to face service (I almost wrote combat haha). I think I waited 5 minutes outside then 5 minutes inside. Bravo everyone!

Review for Shauna Adri

I always dread going to the hair salon because I never have a great experience and always leave not loving my hair. However, with Salon Coco Bond that is far from the truth. I started going to this salon because I had been following an artist via social media and was obsessed with her work. From the moment I called the salon they were nothing but nice to me and super accommodating of my schedule. My stylist, Shauna, is now the only person I allow to touch my hair. She really listens to her clients and really achieves her clients overall vision. I have not only gone to her for a simple cut and color but also for extensions. She is truly talented and has completely turned my view around when it comes to my hair. I highly recommend visiting this salon and booking with Shauna!

The salon is gorgeous and has a lot of energy with really friendly, well-train employees. I received a complementary firming mask treatment by Glo, while waiting for my color to set, from Kristen. She was nice and very knowledgeable about the product. My skin was so soft afterwards. Overall, a first rate, professionally run salon, I highly highly recommend!

I see Christine regularly for my eyebrow waxing and I was so loyal to her I let my eyebrows grow out her entire maternity leave!!! I have so much trust in Christine that she is always worth the wait. She is so talented in her work and I appreciate every single visit I have with her. She makes waxing painless and the experience always makes my week because of her fun loving energy! She is the absolute best!! She has even referred me to another specialist at the salon when I had questions about facials and kindly brought me over to her. I love the relationship I have built with her and love all the salon has to offer!

It was my first time visiting Salon CoCo Bond and I had an excellent experience. I didn't have to wait long and I was offered something to drink while I waited which I found very nice. Lauren new exactly what type of hair style and coloring to do on my hair. She taught me some curling techniques and how to take care of my care daily. The atmosphere is very clean and friendly. I will be recommending all my friends and family. I am so happy I was able to find such a friendly salon with such a great group of girls.

Review for Tracy Conn

Tracy went so far above and beyond the usual for me during my appointment on 25Jul- I went in and presented a very difficult case for her. There was so much "going on" that she really had to employ her incredible skills as a colorist /chemist and stylist. Her solution thinking resulted in a perfectly suited hair look that makes me feel like I'm looking my best. Thank you, Tracy, for doing what you do so consistently and expertly. You're amazing! -H. Review for Shauna Adri

Shauna is a color genius!! With the added bonus of being the sweetest person! Also the shampoo station is the most wonderful place, I never have a moment to relax during the day, so it was a special treat to feel so comfortable and get an awesome scalp massage! I NEVER find the ordeal of hair color a relaxing experience-it takes a long time and there are many steps, but CocoBond is so different, it is a relaxing experience and I don't mind taking some time for myself

Review for Nicole Gregorek

Honestly - I have not been super happy with my color last few appts and yesterday was a sort of a last go at Coco Bond for me. Cole was AMAZING. She listened to the issues I was having, adjusted my formula accordingly and also gave me some products and tips that will help keep my color fresher for longer. Was so happy with both my color and cut. Cole is the best - infinity stars!

Salon CoCo Bond is a very nice salon. All staff are courteous and pleasant and the salon is very clean. I've been having my haircut by Erin for around 10 years or so and she always does an outstanding job. If you have curly hair, you know how it isn't easy to find a stylist that knows how to cut it; I wholeheartedly recommend that you make an appointment with Erin McCabe. She is incredible. I am very happy after every haircut with her.

I just can't give enough positive feedback about Kristin. I originally went to her to fix a color and cut mess before my daughter's wedding 3 years ago. You get the sense that she loves people and does what she does out of that love.

The salon is bright and extremely clean. The staff is welcoming and professional. Gabrielle Bove did my color and cut - amazing! My color was perfect - and her attention to detail was the best I have ever seen, and I have been getting my hair colored at top salons for over 20 years. My cut was also excellent - and my thinning hair looked full and healthy.

Review for ALLISON HAJEK

Allison was awesome. I had a Magic Sleek hair smoothing treatment, which takes hours to do. The smoothing / straightening treatments are done in a separate room, and it was a hot day. That room has 3 walls of windows, so between the sun beaming in, the blow dryers, and the flat irons, it became like a sauna in there. It definitely wasn't a relaxing experience, and I felt bad for Allison. However, she didn't try to rush the procedure, was very focused, and kept checking to see if I was ok. I would 100% go back to Allison for the Magic Sleek.

Each time I at CocoBond it is a wonderful experience. I walk through the door and am greeted by name and with smiles and is there anything we can get you. The staff treats you as a friend not a customer. Erin McCabe is wonderful and a true miracle worker with hair. Erin's staff are a reflection of her high standards and it is a treat to spend time in such a kind and caring atmosphere. I am transitioning from red head back to blonde and it is so easy to discuss the plan and timing with Erin. She "reads" where my hair is at in the color transition and makes suggestions about when to do what to get to my desired end result. Thank you Erin and staff for making a visit to CocoBond a time of tranquility and recharging. CMS

Review for ALLISON HAJEK

As I've said in the last two reviews I completed, I'm very pleased with the haircuts Allison gives me. She is not willing to ask how I liked the previous haircut, so she can adjust her approach for the current one. I like it when someone is not afraid to have a client critique their work. It shows that the person is not only confident in their skills, but is willing to take the client's wishes into account. And, that's is one of the reasons I continue to return to your salon, besides, of course, for the haircuts that Allison gives me.

Being very picky, for years I'd gone to a fine salon in NYC. But when my hair needed a wedding makeover, I thought of Allison (I'd had her early in her career and she was great even then). First, she commented on what she saw, which wasn't working. Then, she got all details of what I wanted done, answering questions and showing photos to display options. I wanted a blended cut to frame my face while still allowing my hair to be pulled back for sports. For color, it was a complex combination of highlights and babylights with an ombre/balayage effect. Allison made suggestions, wrote down my choices, finalized what we agreed she'd do, and presented me with the total price (much less than in NYC!). After I approved, she worked tirelessly and efficiently, cutting, painting various colors over foils, then applying a glaze that would reveal lighter tones as the weather warmed (I'd have never thought of that). She then dried and styled my hair and recommended products and a maintenance schedule. It was the complete package. The cut is perfect, and the colors expertly balanced and flattering in any light. I've gotten many compliments at the wedding and since. Allison is bright, creative, ambitious, a perfectionist, and utterly passionate about hair. She has my full recommendation and confidence.

My stylist (Lauren R) recently moved to this salon and I'm so very glad she did. From the moment I came in for my 9 am hairstyling appointment, every CoCo Bond staff person was friendly, happy & welcoming. (First pleasant observation: no early morning whining nor grumbles here ... a definite plus.) I was greeted with a smile, asked if I wanted a beverage, and told that Lauren would be right with me. The atmosphere of CoCo Bond is perfect: it is airy, light, upbeat, fun and cheery ... and perhaps most importantly, the overwhelming feeling I got was this: here is a place of professionals who work together as a team - almost as a family - with their ultimate goal being fantastic customer service. (Second observation: no snootiness nor clique-ish staff here ... another plus.) I simply cannot wait to return: I may actually book a massage or mani/pedi before my next hairstyling appointment. Lauren, of course, is The Best: it's why I followed her to CoCo Bond. I'm thrilled I did.

This was my first experience at the Salon. I had a manicure with Gabby and a pedicure with Jolie And both were excellent. I felt comfortable and they both did an excellent job and I would definitely recommend the salon to my friends. Also the women at the front desk were very welcoming, pleasant and helpful.

I called the salon looking for a change, I was able to book my appointment online for the same day. My stylist was Lauren K, she asked questions, listened and made suggestions. My hair was beautifully transformed from a dark one color, to a lighter over all color with beautiful highlights and a trim. I am so over the top, I already have booked my next appointment with Lauren K, GREAT JOB!

Gabby was pleasant and she gave me a very thorough, relaxing pedi. She checked with me about the shape and length of my nails and she took her time with each step. I appreciate the attention to sanitation and the use of just a simple bowl to soak in but I did miss not having the whirlpool jets. Everyone I interacted with was pleasant and attentive, I will return in the future.

My Tuesday appointment with Allison Hajek was the second time she cut my hair. And, just like the first cut, I am very pleased with the job she did this week. Even though my styling of my hair is not what Allison was able to do, my results are great. I've haircuts before where the cutting job was just wrong and trying to do my hair the

way I liked was really frustrating until it grew out a bit. I had no such trouble with either of the two haircuts Allison has given me. I'm really glad someone recommend her to me and I think you'll find that Allison is a great addition to your salon.

I LOVE my hair but I felt the woman at reception was a little harsh to my stylish in front of me. She also tried to charge me \$317 for a sleek treatment and glaze when I inquired about a special advertising the sleek was \$215. She recognized the mistake and corrected it but I heard her complaining about that. When I got home I saw another special that advertised the sleek for \$199 through Dec 16, so I was overcharged by \$15 according to the Facebook page.

Review for Barbara Olson

I was a first time client for anti-aging hydra facial. I booked an hour service. I entered the room at 2:45 and service was over at 3:30. That included the time it took for me to undress and get into the bed. I expected the aesthetician to include my throat in the hydrafacial, as I had experienced elsewhere, but she did not. Afterwards, there is not "landing spot" which would be a place to relax before entering the hustle and bustle of the salon. I feel you should always be offered some tea or ice water. I am usually told not to cleanse my face afterwards but just go to bed with what was put on my skin during the facial. That it would be beneficial as I slept, but was not told that. Overall, a good experience, but not as good as Milagro.

Review for Tracy Conn

I cannot tell you how pleased I am with Tracy. She is professional yet easy to talk to. Every time I have an appt, she takes the time to see how the past haircut/color worked out and if I want to keep things status quo, or change things up. My hair has never looked so awesome. Despite the colorings, my hair is so soft with layers of depth of color. I get a lot of compliments on it I am one of those people who if their hair does not look good, I don't feel good. the salon is high end, but one feels very comfortable with the surroundings and other clients. I probably shouldn't send this, as she is so popular already!!!!

I was referred to your salon by my daughter and I must say it was the BEST experience. My stylist was Marcy and she was extremely talented, knowledgeable, thorough and efficient. She has such a friendly demeanor. Marcy had her work cut out for her because my hair desperately needed repair. She did an amazing job. My hair was dyed a different color along with an application of a Balayage and then a new style with a precision haircut. It was a remarkable and enjoyable experience at the salon. Carly was her assistant and she too was excellent. You have a great staff at Salon CoCo Bond Spa. I look forward to coming back :)

Review for Andrew Profaci

Usually my experience at CoCo Bond is a positive one. Andrew seemed more interested in dealing with his bridal party than what I needed to have done. I was told to come in a little bit early so he could have some time to put a few highlights in my hair along with the single processing that I was having done. When I mentioned it to him he said he didn't have the time and dismissed me. Thank God for Kristen! I asked her if she could help me out and she was kind enough to make room for me on this Tuesday to complete what I asked for in the first place. I will definitely always come back to the salon, but sadly will not be using Andrew again.

The experience at Salon Coco Bond is time spent in a noticeably positive environment. Sometimes, in other salons, you may notice a certain cattiness among the workers, but at Salon Coco Bond, I have never heard a negative word spoken, which makes for a very soothing and positive environment and adds so much to the pleasure of just being there. No one complains, everyone that works there seems to enjoy what they are doing, and where they are so much. This is rare in business and people there work as a team, also rare!!

LOVE IT! Extremely happy with my haircut & highlights! Mary Jeanne was warm & friendly & because she has curly hair herself, knew exactly what I needed in a haircut. We cut off 9" & added shorter layers around my face, which made my curls POP! She also hand-painted (balyage) the curls in strategic places to flatter my curls & skin tone. She did an amazing job! I am very happy to have found a stylist who is honest & makes the perfect suggestions. I will definitely refer other curly girls to Mary Jeanne!

Review for Mary Jeanne Ricchione

Mary Jeanne was wonderful. She listened to me, she had patience, and took her time. I am always very nervous to have a new stylist cut my hair because I have extremely fine, thin, frizzy, curly hair! It is very difficult hair not only to live with, but to work with! In the end I love my hair cut and feel great about it!

Review for Mary Jeanne Ricchione

I'm unhappy with the haircut, the sides are uneven, one side needs to be shaped up to match the other side, I'm reluctant to return b/c my last visit 2 hrs and 20 minutes for root touch dye and hair cut. I realized I have very thick curly hair that is difficult to manage and style, it takes time to work on my hair but this was excessive. I was recommended to this salon b/c of "great hairstylists".

Review for Andrew Profaci

I called to make my first appointment at your salon and when I called I was looking for an appointment with an Advanced Stylist. The receptionist told me they actually had an appointment available that day with "the best stylist" Andrew. I agreed to take the appointment because I had a wedding that night and figured my hair will be styled and look awesome. Well he asked what I was looking for I said keep the length and just add long layers for texture because I'm growing out my hair. I had a medium/long lob where the front was a little longer than the back so I wanted that evened out as well. Long story short he chopped all my hair off, cut SO many layers into it...the bottom is wispy and thin and flips up no matter how I style it. He made me look like a cross between Carol Brady and Jennifer Antiston from the 90s. I'm mortified and so upset I got in my car and cried. I am having a baby in 2 months and the cut just made me feel awful about myself. I ended up washing my hair before the wedding and restyled it with clip in extensions. I have a maternity shoot next week and I'll have to put extensions in again for that and my shower. The whole point was that I'm trying to grow out my hair and now I can't cut my hair for at least a year. Awful awful awful. He was

nice but he needs more modern training. He styles and cuts very outdated!!!!!! Please contact me as I'd like a refund since there is nothing you can do to fix my hair and my expectations were not met!! 973-277-8709

I have needed to send this for a number of weeks! I posted an earlier review of my experience expressing my surprise at check out. I was quoted one price and charged a very different price with little explanation at the time. It is so important to report that not only did the salon call me, apologize, explain the issue at check out, accept responsibility and REFUND ME... they were also just incredibly kind about the entire issue. I call it a non-issue now, it was an honest mistake and could not have been handled better. I will be returning again and again. Thank you so much for taking the professional high road and providing great customer service.

My services are always wonderful, with that said the reception area needs help. When I call to make an appt I am always put on hold for 5 min, when I check out I wait because they are answering phones. Yes, this is a good problem to have as it shows you are busy. With that said I would strongly recommend Coco Bond get 1 or 2 people who only answer phones in an office.

We loved our stylist, but I was VERY disappointed to be told at the time of making the appointment and after a consult that the procedure would cost \$80 and then AFTER the coloring told it was \$182 for my 12 year old. I would not have paid that much ever for her hair if I had known. Again, our stylist is great and her hair looks wonderful, as it should for \$200, but I don't like how I was surprised at check out by the price. We won't be spending that amount again on her hair.

I had a wonderful facial at Coco Bond. Celina is very knowledgeable and creates a treatment just for you. I felt that she cared about my skin and what was best for it. The facial itself was very enjoyable, and I enjoyed the neck/shoulder/hand/arm massages too! My skin felt very plump and smooth afterward. I also appreciated that your intake questionnaire asks whether you would like to discuss products or not, which I think is nice so clients don't feel pressured. I did choose to receive product recommendations, which I appreciated. Celina didn't make me feel rushed to leave and answered all of my questions. I really liked that they offer cruelty free products (Repechage), which is very important to me. I'm excited to see how my skin responds to the treatment and would definitely return!

This was my first visit to the salon. I had heard good things, but I was nervous to try a new stylist having just relocated to the area. I left there SO PSYCHED! It's a fabulous salon, filled with talented, happy, nice professionals and every service you could want. Everyone was so gracious to me - from Laura who manages the salon to my amazing stylist Kristen Wright. I'm extremely impressed!

I brought my young teen daughter here on a recommendation from a friend for eyebrow waxing. I met with Christine who listened to my fears & concerns about not wanting thin brows. She was attentive to my concerns & explained in detail what she was going to do before proceeding. She was amazing & the results speak for themselves. I have since recommended both CoCo Bond & Christine to my friends. My daughter & I will continue to use CoCo Bond for our salon services.

Salon Coco Bond is an outstanding salon. I've been going there for at least 5 years. The new shop in Shrewsbury is beautiful and exceptionally clean. The owner Erin cuts my curly hair and does an outstanding job every time I'm in her chair. Appointments are on time and the staff is pleasant. I highly, highly, highly recommend that you try this salon.

Review for Andrea Mura

Andrea was very professional and understanding and helpful in explaining what the plan is to get my hair back to where I would like it to be. It was my first time there and had a bad experience the previous month at another salon and my hair now had breakage and dryness. She was helpful in sending me home with pureology products to help and took time to show me how to use them and explained what they will do. The extra steps with the shot and glazing my color was exactly what my hair needed. Barbara was meticulous. A very enjoyable relaxing and long pedicure. I actually soaked, which is often rushed in other places. So gentle and yet my feet feel fantastic with no need for those "graters". The pedicure tub with the marbles was fantastic and sitting in that chair made me feel like royalty. Far from the usual bulky massage chairs and whirlpool tubs and 20 min rushed pedis i have had in the past. This is not your ordinary pedicure and the atmosphere is beautiful, the detail and of product is design is well done and very pristine and beyond clean. Loved the convenience of being able to do nails and hair in same location.

Yesterday was my first time going to the salon and it was such an amazing experience. The atmosphere was so calm, serene, and chic. It's so up to date and modern. The decor is so inviting. Besides the look of it, I only went to get an eyebrow waxing and I was beyond pleased with my results. It was absolutely nothing like I've ever received before at a nail salon eyebrow waxing where the women don't really care what your eyebrows look like.

Christine worked on my eyebrows with such care and the products that were used and technique weren't painful what so ever. It was such a great experience being in that salon for my first time I will definitely be back!

The wait time was minimal in which then Mary Jean (my stylist) greeted me with a smile. I LOVE my haircut and received many compliments for the remainder of the day! Mary Jean is awesome!!! My twin daughters have been coming to Salon CocoBond for a few years now and every visit has been amazing. Erin and her entire staff could not be nicer and my daughters always leave with beautiful hair and smiles on their faces. The new Shrewsbury salon is absolutely beautiful and the addition of facials, etc. makes the salon one-stop shopping. I highly recommend the Hydrafacial!

Great hair cut by Andrea. Love the new facility. Everyone helpful, friendly. Would love to give salon more business, but I find your prices for gel nails and pedicures too pricey. I currently pay \$30 each (spa pedicure which includes paraffin on heels). If you have any specials or can match those prices if I were to pay in full for a "package" - I would be happy to switch to your salon for those services as well.

I wanted to keep my blonde but just make it more golden and I explained, I wanted either a honey blonde or a Carmel blonde instead I have dark caramel highlights and my original blonde highlights still showing in the back of my head. The highlights and lowlights do not blend well at all. I am very unhappy with the color and am now stuck with it for a few more weeks. I tried contacting the salon prior to writing this review and received no response. I hate to have to complain but the color wasn't worth the price I

paid and my color doesn't look right. This is not what I wanted at all, I knew this immediately but was thinking to myself it may be the lighting in the salon plus I dislike confrontation it was very late and I needed to get home.

I had an excellent experience at Salon CoCo Bond. Everyone was extremely friendly and helpful. Erin cut my hair and it was fabulous -- and I'm not very easy to please! For years I thought my hair was thinning and had changed for the worse, and then Erin gave me a great haircut and my hair looks thick, full and healthy again! All I needed was the right cut to make my hair look good again. The salon is also beautifully decorated and very comfortable. I highly recommend Salon CoCo Bond and Erin!!!

I got a fabulous mani/pedi with Rosie. She is a pro. She takes great care with shaping the nail exactly as you request and trims only what's needed on the cuticles for both hands and feet. My feet were soft and smooth and she gave the best foot and leg massage. I got a French pedi - it's perfection! Straight lines and a nail color that compliments my skin tone. I love that she is so gentle and asks for feedback every step of the way so you get exactly what you want. I recommend her highly.

Andrea and the rest of the staff were incredible. They made me feel totally welcome and at ease. One of the things I valued the most was Andrea explaining what she was going to do to my hair in great detail and explaining step by step how she was correcting my color. As a first time client, I was very impressed and happy with my hair after my appointment.

I had to go out last night and can't tell you how many people admired not just the beautiful color...but the cut. You helped me have the longer hair that I've wanted for so long. My hair is fine but because of the shape and cut it always looks like I have this heavy head of hair!!! Thank you so much. I wish you happiness and peace of heart in yr new location!!! Lovely new setting and building for Salon CoCo Bond. Great to see the same wonderful staff and the pampering. . . The new location is still a work in progress. . . Very loud and nosey (once window treatments, plants, and pictures are up - should reduce the noise level). I DID NOT LIKE the choice of music. . .not calming nor relaxing. . .Once some of the glitches are corrected at the new location. Salon CoCo Bond again will be my favorite spa! Mary Jean as always was my wonderful stylist!!!! I will be returning again in a few weeks!!

Hi your new building is beautiful and I have followed Barbara there from skin and bones . As always Barbra's services were professional, personal and I will with waxing there. I had a pedicure with Carolann who I also Would give excellent reviews. Great pedicure but the price is 20 more than where I have been going and I cannot justify spending that much more on a weekly basis. Also the pedicure station is so pretty but I must admit I miss a massage chair!!!! Best of luck I think you will kill it at this location .

This is the finest salon in the area. From the time that you make your appointment, to the calls and emails confirming it. To the greeting that you get when you arrive. To the offer of coffee or a drink, to the kindness and care that you receive by the desk, the hairdresser and the assistants, you really feel at home. The services are professional and friendly and the outcome is wonderful. I can't wait to see their new salon.

Review for Andrea Mura

My stylist welcomed me with a big smile and lots of energy. She consulted with what I would like completed today and added a few tidbits of knowledge about types of products/shampoos. She gave me a great haircut and I intend to come back for my next! I left feeling like I had a great haircut for a good price.

Cole was fantastic as always. I actually got highlights for the first time in almost 20 years, since I was a teenager. I had not wanted any maintenance but decided I needed a change. Cole made such a subtle but high impact change in my hairstyle by adding the perfect highlights, I wish I had done this sooner! I love my hair! Thank you again Nicole and Salon Coco Bond!

Review for Nicole Gregorek

I came here after I had an absolutely horrible experience the last time I had gotten my hair done at a different salon. I chose Coco Bond because I had read wonderful reviews about it online and it certainly lived up to the hype. The salon is clean, very well designed, and overall very classy. My stylist Nicole was an absolute delight. I was VERY nervous to get my hair colored after my last experience, but Nicole made me feel comfortable with her warm and bubbly personality. For what she had to work with she did an absolutely excellent job (my hair was originally Orange which had turned blonde/orange after a month of daily purple shampooing). I cannot thank Nicole enough for making me regain my confidence. I feel absolutely beautiful! Unless I move cross country, I'm never going anywhere else to get my hair done! Thank you, thank you, thank you! I have already told my mom about it and a few of my friends who commented on my hair and will continue to refer people when my hair is the topic of conversation! :)

My daughter and I were left in a lurch after our hair stylist of 8 years tried to pawn us off to her younger sister who is not even a licensed stylist in NJ! I called Salon Coco Bond because we had been using Matrix demi color but I needed more coverage and the owner, Erin was just great. She told me after about 3 color treatments with her, my hair will be looking better well after just one color appointment with Erin, my hair looks better than it has in years. I am so excited to have found a top notch salon on my first try! Thank you Erin and thank you to your lovely staff for making my experience at

Salon Coco Bond a great one! I look forward to many more visits to Salon Coco Bond. PS Love the name of the salon, too!

Kristin is the best. She is interested in the person much as your hair and how it makes you feel. Kristin is also an active listener, makes suggestions, and wants you to be truly happy. She goes WAY overboard to be available as she did with me this week. She went out of her way to find me a time to get my hair done before interviews. SHE is the BEST...and she is a kind, generous and sweet person on top of being a great stylist.

I love this salon! Erin, the Owner, is incredibly gracious and welcoming. It's the kind of salon where everyone knows your name and greets you even if you are not their client. My entire family has been going to CoCo Bond since it opened, including my husband! If there is ever a time she's not available, and I need to get in, she instructs someone else from her very qualified staff to do the job! Or, she comes in early or stays late to accommodate my schedule!! I am always pleased! I recommend Erin to all of my friends and clients!

Review for Kristin Hocko

I am happy that I returned to Coco Bond. I had been a client of a colorist who has since left (Connie) and after seeing repeated emails from Coco Bond, came back. Thrilled that I did. Kristin is great...I am enormously happy with my hair color and know it will only get better. (i say this only because we took a step in reversing a horrible brassy tone...takes time!) Kristin is incredibly switched on....listened to my concerns and I can tell she is a true professional. Jamie (think that was her name) very attentive ...while i like a gentler shampooing since my hair is fragile (aggressive scrubber, that one ! haha) she did her job. Lastly, the "front of the house"..the ladies at the front...really great. The whole experience was what I had been looking for since moving from Boston. Thank you Coco Bond!

I love this salon and I have been many trying to find a good one. I just am a little upset because I sat in the salon from 3 to 7:00 and I didn't mind Bc i wanted my hair to be right. I paid a lot of money and had to come back the next day to fix the roots. I was told I would not be charged and when I went to tip the hairdresser I was told I had to pay for the blowout after paying so much the day before. I was told I didn't have to pay and then I did. I would not have needed it blown out if I didn't have to come back. I feel this was poor business and I should be compensated.

This was my 5th trip to a saloon to a get a basic bob style cut and simple highlights. No one could perform this task or made it worse, until I came across Salon Coco Bond and Lindsey who was my stylist and colorist did EXACTLY and more than what I wanted, The owner was amazing as well and everyone was great. It isn't everyday you get your hair done but when you do you want to walk out of the Salon feeling better than when you went in.

As usual, I thoroughly enjoyed my visit to CoCo Bond. The staff is friendly, attentive, and skilled: they know/remember what I like and offer me a chai latte to enjoy while (briefly) waiting; they completely relax me with a wonderful shampoo and conditioning; and then Erin cuts my hair like no one else can - my salt & pepper colored hair is a tricky cut with wavy dark hairs and straight light hairs. The entire experience almost makes me wish my hair would grow faster so I could return more often! Five stars every time!!

I've been to Salon CoCo Bond a few times now and I must say, I enjoy my visit each time. The girls are friendly and listen to what you want. It has been my experience in other places, that you might start out stating what you want, but somehow by the time the stylist is finished, it isn't exactly what you said you wanted. This doesn't happen there, not the times I was there. I've gotten Kristen the last few times I've been there and she is very nice and I like her. It's a great place, you should check it out. Everyone at this salon was extremely friendly and welcoming to each client. You could tell they really care about their customers. I had highlights put in and they look amazing! I'm extremely happy with the outcome. I was constantly being asked if I was comfortable or if I needed anything. Clearly their customer service is one of their top priorities. Definitely recommend Salon CoCo Bond!

My daughter and I both had our hair done by Lindsay, my daughter recieved a super cute cut for a teenager to handle and I love my easy to manage and fun bob! We recieved great haircuts from a stylist who is friendly, and pays attention to detail! I have been to many different salons in the Monmouth and Middlesex County area and Salon CoCo Bond has them beat! The atmosphere is relaxed and all the staff are friendly! I hope to remain a customer for a very long time!

This was my 2nd visit and just as the first I was greeted as soon as I walked through the door and made to feel like I was meeting old friends for a visit. Erin, let me know she was just finishing up with a client and would be with me shortly. Katie who shampooed me did a wonderful job. It was like a little mini scalp massage. I really appreciated it after a taxing day at the office. Erin and I spoke a bit about what I wanted done this visit. I was so pleased

that she remembered my comments from my last visit and this facilitated another great styling and blowout. Excellent job by everyone involved. I highly recommend Coco Bond to everyone especially those who are hair "fanatics." Thank you Erin and staff.

Review for Erin McCabe

After being a client at this salon now for about 1 1/2 years, I can honestly say that I would never go anywhere else. Erin the owner is my stylist and is consistently amazing. I don't like to keep the same hair style for any length of time and Erin is always there to discuss a different style with me and help me make a change with ease. My hair color never fades and my and combined with my perfect highlights make so many people stop and ask me where I get my hair done. The entire team at coco bond us friendly and amazing from the minute you walk through the door. Katey who washes and conditions my hair us equally amazing making sure your comfortable and relaxed. And here massages on you head and next are awesome!!!! Always love my experience!!!

Review for Erin McCabe

I had been searching for a new salon for 6 months. Upon a co-workers recommendation I contacted Coco Bond. I scheduled a consult with Erin and from the minute I walked through the door the experience was top drawer. During the consult Erin understood what I was looking for and explained to me what she thought would be the best course to take for my type of hair. She used terms that I could understand and even demonstrated how she would debulk and shape my style. Day of the appointment we reviewed what I wanted and Erin delivered exactly what I had envisioned. I walked out of Coco Bond thrilled with my hair. I feel like a new woman. Erin thank you to you and all your staff at Coco Bond for a truly wonderful experience. CMS

Every time I have a service at CoCo Bond it is an EXCELLENT experience!! I am always greeted with smiles that go beyond standard customer service. The space is very clean and everyone on the team is so professional. I have had the opportunity to use several of the Technicians and all of them have been great! I never leave there without feeling like I have "runway hair"! :) I will recommend this Salon to anyone looking for a place they can feel comfortable in with fantastic results. Try them. You wont be disappointed!

As always, Kristin Wright is a genius. She's been giving me blonde highlights for a few years, but this time I wanted something subtler and darker for the winter. She did a FABULOUS job just touching up my highlight roots and focusing on low lights and a perfect glaze to create the exact look that I wanted (but had no idea how to express myself). She knows how to read me and my requests and is lovely to spend time with and incredibly professional. Thank you, Kristin!

I just love it here! Kristen did a fab job on my hair. She is wonderful!!!The staff is ALWAYS so kind and helpful. It's great!!!! Its always a good experience. As a side note: The only thing I have a hard time with is spending \$55 for a 13 year old hair cut. To jump from \$30 to \$55 is hard to swallow. I can understand at 16/17 years old charging an adult price, but even then they are still a kid. Just my opinion.

Love the salon -- the ambience is warm and all the staff are very friendly and personable. This was my second appointment with Nicole and again I am so pleased with the results. She is not only very talented and efficient but sweet as anything. I've gone to stylists in the past that have taken twice as long and had a much less pleasing result. So glad I found you!

As always, my experience at salon Cocobond is above excellent. MaryJean is masterful at her hair coloring craft... She had a challenge as I had mistakenly tried to "take matters into my own hands" and color my hair myself. My head was ORANGE! I had a wedding the next day... Mary Jean welcomed me, and worked her magic!!! Thank you cocobond - I love you!!

Kristin is a wonderful stylist. She is charming, pleasant and incredibly skilled at her craft. She is also very accommodating to helping "squeeze" you in if she can find a few minutes to spare (note: because she's so great, her schedule is usually totally booked, so it's not always easy to squeeze in!). Erin is my hairdresser...and a true professional. I walked in for my appointment & threw her a curveball... I asked for a completely new look. She took the time to ask what I was going for & then began the process. She is calm, attentive & proficient at her craft. She put me in a chair, explained all that was being done & zipped around like a worker bee. I left CoCo Bond with a beautiful head of healthy, rich brown hair with subtle caramel highlights. I had walked in a nervous blonde :)) Her staff is awesome.... Warm & friendly. Enjoy!

My first time at salon coco bond was yesterday. I must say from the moment I walked in to the moment I left was a great experience. Everyone was so kind and made it so comfortable. Maryjane had done my hair for the fort time. I ha e curly hair and no one ever cuts it good until I met Maryjane, she is wonderful and gave me the best haircut I had all my life. She listened to what I wanted and respected it which was awesome. She really knows how to handle curly hair, which is a sigh of relief. I totally found my new hairdresser. Best place I went to and would highly recommend it to anyone.

Mary Jane is an uber talented color expert. She gives me the most natural looking blonde highlights by beautifully blending and lifting the appropriate shades of blonde high & low lights that compliment not overpower my natural hair color & skin tone. I came to Coco Bond as a new client about 9 months ago with overdone blonde, washed out, chunky highlights. Mary Jane has remedied all of the above. Thank you!

I say this because I have fine hair....It you read this review and don't try Erin!!!....your making the biggest mistake of your life....Once you have her do her hair you will wonder how the other hairstylist you have been to ever got their license!!!!

Review for Mary Jeanne Ricchione

Sorry to say I was not happy with my latest haircut. In fact, just yesterday I visited another local salon to give my haircut shape and style. When visiting Salon Coco Bond I always schedule a 'curly' cut which takes a bit longer than a normal haircut. When I last visited the stylist was running late and clearly did not give my haircut the time and attention a \$95.00 haircut deserves. I have hesitated to complain, as I know the stylist is a lovely woman, but it isn't the first time I haven't been really happy with the outcome of my curly cut. I understand that cutting very tight curls is not an easy task... but when a salon advertises stylists who are trained in the Ouidad method of hair cutting... I expect more.

I honestly feel like a million bucks the minute I walk in the door....every single time. I have never been to a salon where I feel so 'at home'....where literally EVERY employee goes out of their way to make sure you're taken care of, comfortable, happy and relaxed! They treat you with genuine kindness - as if you were a good friend, rather than just another client/customer. I'm obviously a HUGE fan of Salon CoCo Bond!! **Especially COLE - SHE ROCKS MY LOCKS!!** :)

looks like a mushroom cut. if you want a true ouldad cut & style , stay away from this place . the salon and its staff are very friendly. its a shame the stylist must have been sleeping at the ouldad training.

Well Ladies by now if you have read any of mine I hope you are ready to try THE BEST!!!!.....Erin who is the owner and my new hair Stylist is truly without a doubt the best. I have lived in NJ for about 26 years now and have been from one end of NJ to the other in search of the perfect color and cut. I would go to a salon and the first couple of times it would be ok and after that I guess they figure they have you and so the mess ups begin. The color would fade and the cut well the cut had to be fixed by me when I got home. Erin took

the time to find the perfect color with the perfect highlights and that along with my amazing cut has me feeling wonderful!!!...My son who is very critical smiles when I walk through the door and tells me how amazing it looks....So ladies I have given three reviews...If by now you think I am exaggerating then shame on you because you are missing a wonderful experience. I worked in Manhattan and lived in Queens all my life....so I expect the best...And I got it!!!!!!...I have made my additional appointments from now till June just to make sure I always look FABULOUS!!!!!!LOL!!!!!!...seriously if you arent happy with your hair...Give CoCo Bond a try!!!!!!...You will thank me!!!!!!

I always have a wonderful experience at Salon Coco Bond. Erin and the whole team are so helpful and do a wonderful job. I just recently saw Erin for the ombre look on my brunette hair. I wanted a very natural look and fade, and it was just what i got. And

it is such a warm and friendly environment where you always feel welcome. I travel 35 minutes just to get to my lil jewel of a salon i found. Love this place. Thank you Erin, you are the best. Love you guys!! Shannon M.

She had another client but hardly had to wait, she never made me feel rushed or squeezed in. She was wonderful and gracious to both to me and the woman she was already working on. Also she does a fantastic job with FINE hair. Couldn't be happier!!!

She's also incredibly sweet and treats her clients very well. You can't ever go wrong with this salon- Erin has created the perfect hair salon where all of the stylists customers so well. My only regret is that I waited too long between my last visit & this visit to see her. You will not be disappointed - she is a very talented hair designer/stylist and this is coming from a reviewer who spent years as a customer of NYC stylists. The salon itslef is very comfortable, everyone is super friendly & accomodating and it is absolutely unpretentious.

After using the same hairstylist for 3 years, I was skeptical to say the least about finding another....I did my research and googled to find the BEST in Monmouth County NJ. Coco Bond came up first. As I said I did my research and decided to call. I scheduled a consultation appointment with Erin who is the owner.. I liked her and decided why not I will make my first appointment and give it a shot. My hair grows fast, what have I got to lose. I had my appt on Dec 6 1012. I was getting the whole thing. color, highlights, cut etc. Erin listened to what I had to say and gave me her feedback. I had a style in mind that no one has been able to give me and asked if she thought it would be a good look for me. I let her chose my color, my highlights and anything else that needed to be done. As Erin was working on me, I noticed the wonderful atmosphere throughout the salon. It wasn't you normal cutthroat feeling that I always got at other salons.....you know ladies...the who is talking about who...who is criticizing who...etc etc. No it wasn't that at all. They all seemed happy and like one big family. I liked that...They make sure you are comfortable offering you drinks, books, and anything else you can possibly think of. So the color and the highlights were done....Now came the cut....PERFECTION!!!!!!.....It was a great experience after coming from several previous salons that were loaded with

haircutters who I sometimes wondered if they really wanted to be there or not....I have already made my next appt. I can't wait. I love my hair. It looks fuller and the color is so rich....The cut is perfect and this I know because I don't have to work so hard to get it looking the way I want it to look. That is the sign of a great cut!!!!.My recommendation???....Give it a try....I finally found what I was looking for....I expect to be a Coco Bond customer for a long long time!!!!!!

This was my third try at getting a good haircut as a curly haired person. The first 2 people were highly regarded NYC curly specialists but the cuts were nothing to rave about. I ended up with a triangle shaped head! Erin took one look at my hair, told me that I needed layers (which I knew but no one else had ever suggested) and that she was going to try and cut off the ends that were still straight from my last straightening procedure, without me having to lose a lot of length. She was so right! I had single process coloring done to cover my grey roots, the color turned out perfectly. And the cut was much better than anything I'd had before. My whole head felt lighter and the shape was just what I was looking for. The test was the next day when I had to style it myself, which turned out to be very easy and looked perfect. I can't say enough good things about the salon and Erin herself. It's a beautiful salon, the people are extremely friendly, even to a new comer, and the prices quite reasonable. If you need someone who understands curly hair cutting, go see Erin!

I have never had such a wonderful experience ever, thanks to Theresa and your staff... I was in a panic when I arrived but was greeted by such a happy member of your staff and put at ease and left anxious for my next appointment. Theresa was an absolute gift to me and to have her work on my pitiful hair which came out just as I would have liked it to for years. I cannot tell you how much I like my cut and color. I have received many compliments from friends. many thanks to my daughter for sending me to your salon and finding Theresa and your happy staff... Gwen

I came to Salon Coco Bond by way of a stranger. In a check out line I saw a woman who's hair was so eye catching I had to stop her and ask where she got it styled. On my appt day, I was greeted by a very friendly young lady, offered refreshment and relaxed in the beautiful decor. Erin, the owner, did my haircut, which was EXCEPTIONAL, and I walked out feeling like a Diva! I have difficult hair which is poker straight, baby fine and multiple cowlicks, so I've had MANY hair disasters! I just left Erin to her own devices and somehow, somehow, she was able to make something beautiful from what is normally flat and flyaway. I HIGHLY recommend Salon Cocobond.

My stylist, Connie, is always 5 star. But the salon was very busy on Saturday so I had to sit in the reception area, next to a young child playing a very noisy explosion type video game which was competing with the normal music background. He did not have an earphone and numerous requests to lower the sound were unsuccessful. I was on the verge of going out to my car to wait and went to tell Connie when another client's friend, who was taking one of the hair care chairs, offered to give it up to me. I have never had this experience before at the many salons I have patronized across the country. It would be helpful if you would request that any noisy games played by children (or adults) be accompanied by earphones. This is normal on my commuter trains to NYC and should be normal for you as well.

I would also like to compliment both girls who did my waxing and shampoo. As a client it does not go unnoticed when someone is working with you and gives you their undivided attention. It makes you feel special and not just another head to shampoo. I live in Maine and travel to NJ about every 3 months. I will definitely be booking my Dec appointment at Salon CoCo Bond! I recently went here for a curly hair cut. I used to live in NY and have gone to Ouidad salons before, so I was hoping for a similar experience. I did not get it though. Mary Jean was highly offensive to me. She did not know that I have a brother with disabilities, and proceeded to talk about her experiences with a similar person and refer to them as a mongoloid. She also had no idea how to set my hair. It was a ball of frizz by the time I left. It was so frizzy that I had to go straight home to fix it instead of running the few errands I had planned on.

As a busy mother of two I always look forward to my "escape" at Salon Coco Bond. The staff is always friendly and accomodating (I am always greeted with warm smiles and offered a beverage and magazines to read while I wait for my greys to disappear). However it is the great cut and amazing color that cause me to feel transformed and renewed everytime! I have fine, boring brown hair underneath it all but you would never know when Erin is done with it. She recently changed my style to a very short bob that I received tons of compliments on. She also gave me warm caramel highlights that woke up my complexion. The combination of the two made me feel ten years younger, which is a big deal, especially when you are knocking on forty. I have been to many salons in the area in the past and I have sometimes paid a lot for nothing but disappointment. Erin and her staff really take the time to listen to what you want and that combined with huge talent allows them to deliver amazing results. I always look forward to a positive and relaxing experience during my "escape" to Salon Coco Bond but the best part is I know that when I walk back out the door I will leave looking fabulous!
